

## ARIZONA KEY RACES - 2026

### Goals:

- 1) Support statewide candidates by building up the Democratic bases in targeted races
- 2) Flip two congressional seats by supporting them and the legislative races in those districts
- 3) Democrats taking over both houses of the state legislature
  - a) Average number of voters per legislative district - 102,805
  - b) Contribution limit per candidate, per election is \$5500 unless they are participating in the Clean Elections program, which limits donation to \$220.
  - c) State Senate -
    - i) Flip 3 seats to take over
    - ii) Supporting 4 Dems to maintain and 8 to flip
  - d) State House
    - i) Flip 4 seats to take over
    - ii) Supporting (numbers of incumbents will depend on the July 21, primary.

### Federal:

|                                                                                                                                                                                                                                            |                                                                                       |
